WORK EXPERIENCE

Data Analyst Bujeti (YC W23)	December 2024 - Present
--	-------------------------

- Developed and maintained interactive dashboards and reports to provide actionable business insights, enabling stakeholders to make data-driven decisions.
- Managed and optimized the organization's database on Metabase, ensuring data accuracy, consistency, and accessibility.
- Leveraged SQL for data extraction, transformation, and analysis to support business intelligence initiatives.
- Collaborated with stakeholders to identify key performance indicators (KPIs) and deliver tailored reports that aligned with business goals.
- Streamlined reporting processes to improve efficiency and enhance the quality of insights delivered to stakeholders.

Data Analyst Intern

June 2023 - May 2024

Spurt!, Newark, Delaware

- Generated comprehensive data-driven reports that drove increase in products usage by 33% over a 12-month period.
- Conducted in-depth data-driven research to inform and drive business decisions, supporting strategic planning, and optimizing business operations.
- Generated comprehensive data reports and analyses to provide actionable insights that enhanced overall business performance.
- Managed organization databases for data accuracy, integrity, and accessibility.

Data Entry Assistant

Dec. 2022 - Dec. 2023

Olabisi Onabanjo University, Ogun State, Nigeria

- Developed an efficient method to clear backlogs of requested academic records, resulting in a significant reduction in processing time for the requests.
- Efficiently imported large volume of student data extracted from multiple sources into a central academic database.
- Verified extracted records to ensure data accuracy and integrity.
- Transformed and loaded data to make it accessible for end-users.
